

FEDERAL WORK-STUDY PROGRAM

The Federal Work-Study program **provides university students with part-time jobs to help supplement their income while they're students.**

To find work-study and/or on-campus jobs in Handshake:

Navigate to **JOBS** → add **FILTERS** like 'on-campus,' 'work-study' or both. Work-study eligible students are automatically able to view work-study eligible jobs.

*Note that the 'on-campus' filter will yield the most results for on-campus jobs. Any on-campus job **can** be a work-study job, but some on-campus jobs are **only** for the work-study program.*

The screenshot shows the Handshake interface. The top navigation menu includes 'Jobs', 'Events', 'Employers', 'Inbox', and 'Career center'. The 'Jobs' section is active, displaying a search bar and filters for 'Location', 'On-site/remote', 'Full-time job', 'Internship', 'Part-time', and 'All filters'. The 'All filters' button is circled in red. Below the search bar, it shows '6.1K jobs found' and a 'Relevance' dropdown. A 'Filters' sidebar is open, showing 'Job type' options: 'Full-Time', 'Part-Time', 'Internship', 'On-Campus' (selected), and 'Job'. There is also a '+ More' button. Under 'Job type', there are checkboxes for 'Work study' (checked) and 'Interviewing on campus' (unchecked).
